PROJECTS

● March 2024 - March 2024 /

RESPONSIVE PORTFOLIO

Welcome to my portfolio! I've crafted this project using HTML, CSS, bootstrap and JavaScript to showcase my skills and projects. The portfolio features a clean, responsive design that highlights my work in web development-, allowing users to navigate through my projects seamlessly. Each project includes detailed descriptions and links to live GitHub repositories. Link -> https://nileshyadav-06.github.io/My-Portfolio/

● April 2024 - April 2024 /

TIC TAC TOE

I have created interactive game Tic Tac Toe built using HTML, CSS, and JavaScript. The Tic Tac Toe project is an engaging, This classic game allows two players to compete by placing their respective marks (X and O) on a 3x3 grid. The objective is to align three marks in a row—vertically, horizontally, or diagonally. Link-> https://nileshyadav-06.github.io/TIC-TAC-TOE-Game/
